CHOPS Custom Canvas Stretching

Disclaimer:

CHOPS or its staff will not be responsible for any potential damage to the canvas due to the following conditions:

Inferior material or inks - original artwork - cracked paint - old paint - torn canvas - too thin a canvas/fabric

In order for a proper stretch, we must have the following conditions:

1. To side staple around the edge, we must have 3 inches of excess canvas past the top of the stretcher bar.
 2. To do a gallery wrap (staple on the back) we must have 4 inches of excess canvas past the top of the stretcher bar.
- Turn-around on stretching canvas will be 2 -3 business days
 - Out-of-town canvas stretching orders are available for pickup or sent by courier.

Serving The Picture Framing Community Since 1986
